## Meet The Chef

Hello! My name is

**Jacqueline Williams, Executive Chef and owner of Abundant Bistro and Catering**

with over 30 years experience in preparing a wide variety of cuisine offerings. I was one of the first African/American women to graduate from the Allegheny Community College Chef Apprentice Program and will graduate May 5, 2014 with a BA in Research Product Development from Metropolitan University.

I have experience in cooking in a wide array of styles, I truly enjoy preparing my client's wonderful fine dining entrees as well as French Nouvelle-influenced classics.

**Abundant Bistro is now serving affordable Lunch, Dinner and Late Night menus.** Enjoy a signature half-pound burger served with unique sides like Hush Puppies, Black Eyed Peas or traditional French Fries or a dinner of comfort food. Abundant Bistro is also an excellent venue to offer for breakfast business meeting services from 7 a.m. to 11 a.m. by reservation.

Abundant Bistro is conveniently located on the Metro Green Line at Lexington and University in Arnellia's "The Legendary Club Apollo" at **1183 University Ave W., St Paul, MN 55104.**

I have also been the Executive Chef at Café Solo and Dayton's Boundary Waters Restaurant.

I also worked in Marriott's International Education Division in Augsburg College in Minneapolis.

In 1997 I became the Executive Chef at Eat Your Heart Out Catering – The Twin Cities premier caterer to national and international entertainers. You name the star...I've probably cooked for them. From U2 and KISS to Mary J. Blige and the Lilith Fair. I've prepared meals for virtually every major entertainer that has visited the Twin Cities.
